In the year 2009, Architect Ankita Sweety & Pratyosh Chandan initiated "Studio An-V-Thot Architects Pvt. Ltd." a Design Consultancy firm in Delhi. Since then the studio has taken up and completed several Architectural and Interior projects of varied nature, scale and sizes. The studio's core effort to convert a thought into reality has consistently led them for pursuit of excellence.

**The Plus House Project**

The Plus House Project located in Panipat, Haryana is a project done by Studio An-V-Thot Architects Pvt. Ltd. The project was perceived as a creation of rectangles within a square, which clearly took us to benefitting proportions during the planning. This was the answer to a rather questionable site which sat on an almost square plot 55' x 58', thus generating a challenge as well as curiosity to achieve a depth of travel and sight.

Speaking of facade, the complete 25' high structure can be seen as volumes and voids sharing spaces, overlapping and inter-changing their behaviour as well as presence. The vertical edge of the corner is sliced open in a tapered hugging manner with MS pergola on the roof level adding the play of shadows & light. Insertion of MS jali is eminent at various places. Use of sober Orange textured paint balances its
